Tournament General Rules of Play

Please make yourself aware of the rules that apply to this tournament. It is your responsibility as the coach to have a complete understanding. *The tournament will follow USSSA rules.*

-Scorecards: The home team will keep an official scorecard as well as keep track of pitchers used and the number of innings they have pitched. Per USSSA rules pitching innings are based on the number of outs recorded. This is calculated as 1/3 inning per out. Coaches should turn in their line-up to the umpire and the opposing coach including the player number and first and last name of all players in their proper position in the batting order. Scorecard must be approved & signed by both coaches at end of game and this becomes the official score. Be sure you are signing a correct scorecard with the correct score and pitching innings.

-Pitching Limitations:

AGE DIVISION	ONE DAY MAXIMUM TO PITCH THE NEXT DAY	ONE DAY MAXIMUM	THREE DAY MAXIMUM

An inning can be finished, but a new inning cannot be started after the time limit. When the last out is completed determines time limit. Time limits may be changed by Tournament Director in order to get the Tournament concluded.

-Extra innings: in the first extra inning and every ½ inning thereafter, each team will start with a runner on second base, 1 out and a 2 -1 count on the batter. Each batter thereafter will start with a 2-1 count. The runner on second will be the last official hitter from the previous inning. Extra innings are only allowed if the time limit has not been reached. In pool play there is a maximum of two tie breaker innings. If the game is still tied after the two extra innings the game is over and the tie score is recorded. No inning can start after the time limit has been reached and if the game is tied it will be entered as a tie. In Bracket play if the time limit has been reached, the inning has been completed and the game is tied the extra inning tie breaker rules will be used until a winner is determined, regardless of what inning was being played when the time limit was reached.
